

BillQuick® Legal 2015 Ranked as Top Law Practice Management Software by Capterra

Torrance, CA - Aug. 4, 2015 - BQE Software, Inc., a world leader in time billing, accounting and project management software, announced today that Capterra, an online service that helps businesses find the right software, has named BillQuick® Legal as one of the 20 most popular law practice management solutions.

Capterra's ranking is derived from an algorithm that calculates the total number of unique customers, the number of active users and overall social presence including online reviews.

BillQuick® Legal 2015 is a robust time, billing and accounting software for attorneys and law firms that includes support for LEDES electronic billing, upfront retainer billing and tracking capabilities, automatic billing arrangements with recurring options and native mobile apps to capture every billable minute and maximize billable time for law firms.

"This ranking is particularly promising, considering that we officially launched BillQuick Legal earlier this year," commented Shafat Qazi, CEO and Founder of BQE Software. "For 20 years, BQE Software has brought innovative time billing, project management and accounting solutions to professional services firms such as architects, engineers, accountants and consultants. BillQuick Legal builds on our proven experience to extend this knowledge to attorneys and legal professionals looking for flexible, inventive and reliable solutions for their law firms."
